Sub : Digital Submission of High Bandwidth Leased Lines (HBLL) requests

This is in continuation to Exchange circular NSE/MEM/31097 dated November 09, 2015 regarding introduction of High Bandwidth Leased Lines (HBLL).

The Exchange is pleased to announce that Members can now place request for HBLL through our dedicated electronic member interface 'ENIT'. The existing module of 'TCP IP Scenario' can be used for HBLL requests as mentioned below:

- The existing menu option 'Activation' can be now used for making requests for HBLL too. In the form at Sr 4 'field- Bandwidth', members need to select the desired bandwidth from the drop down list to indicate the Bandwidth desired.
- The existing menu options for 'Surrender', 'Cancellation' and 'Category Change' can be now used for making requests related to HBLL too.
- The existing menu option 'Request Status' will now provide information related to HBLL requests too.
- For bandwidth change in HBLL, members may continue to submit physical application as per Annexure 2 of Exchange circular NSE/MEM/31097 dated November 09, 2015 till further notice.

This facility shall be effective from start of business hours on December 18, 2015.
