**May 31, 2010**

Dear Members,

**Sub: Revision in connectivity charges for POPs at Rajkot, Jaipur and Cochin**

As you are aware, in the recent past, the Exchange has implemented a highly reliable and resilient IP based terrestrial network with Point of Presence (POPs) in multiple locations across the country. Apart from catering to the business expansion needs of the members, it has also helped in augmenting various initiatives of the Exchange in encouraging investors, especially from the semi urban and rural areas, to participate in the equity market and also to facilitate trading members to establish necessary trading infrastructure in these areas at reasonable costs.

In this direction, recently, the Exchange has set up POP centers at Rajkot, Jaipur and Cochin.

Presently, the Annual Recovery Charges (ARC) and Interest Free Security Deposits (IFSD) in respect of these three POP locations are as follows -

| <b>POP Location</b> | <b>ARC<br/>(per annum)</b> | <b>IFSD</b>  |
|---------------------|----------------------------|--------------|
| Rajkot              | Rs.2,50,000                | Rs. 2,50,000 |
| Jaipur              | Rs.2,00,000                | Rs. 2,00,000 |
| Kochi               | Rs.2,00,000                | Rs. 2,00,000 |

With newer facilities / locations getting added to the Exchange network infrastructure; it is observed that, at times it necessitates realignment of certain infrastructure at the member end such as change in connectivity from one POP centre to another etc. Based on the feedback received from the members and to facilitate the members in smooth realignment of such nature and especially to further encourage the trading members to establish necessary trading infrastructure in these areas at reasonable costs, the Exchange is pleased to inform that with effect from April 1, 2010 the connectivity charges for the above three POP locations has been rationalized and has been made uniform as below.

| <b>POP Location</b> | <b>ARC<br/>(per annum)</b> | <b>IFSD</b> |
|---------------------|----------------------------|-------------|
| Rajkot              | Rs.1,00,000                | Rs.1,00,000 |
| Jaipur              |                            |             |
| Cochin              |                            |             |

Any taxes, duties, levies etc. would be extra, as applicable.

Further, apart from the above, all the other existing terms, conditions, arrangements etc. in respect of the TBTN recovery would remain the same.

For clarification and queries in this regard, kindly contact Membership Department on 022- 26598249 or email at [minward@nse.co.in](mailto:minward@nse.co.in).
